Atlas of fetal surgery (1996 edition) | Open Library

Atlas of fetal surgery by Michael R. Harrison. Published 1996 by Chapman & Hall in New York. Written in

English.

Atlas of Fetal Surgery: 9780412991318: Medicine & Health ...

This book gives a straightforward overview of the history of fetal surgery and the rationale for fetal surgery. The real reason to buy it, though, is for the beautiful intraoperative photographs. I would recommend it for anyone with an interest in the subject, independent of his her background.

Atlas of Science – another view on science

Atlas of science is made by scientists for scientists. The aim of the project is publishing layman's abstracts of research articles.
