Boston's Gun Bible: Boston T. Party, Kenneth W. Royce ...

Boston's Gun Bible is very short on shotgun info (though the line about "condo beehivers and drywall" was hilarious), and not too heavy on revolvers, but Boston likes rifles and semi autos. This is probably the best rifle book extant. And Boston doesn't cover much on shotguns and revolvers because he "writes what he knows", and he knows what he loves. He loves rifles.

Boston's Gun Bible Revised with 2008 D.C. v. Heller by ...

It has a few gun nut anti government chapters which can be disregarded, but the amount of information is amazing. Focuses on assault weapons and gives a thorough review of most of them. Also provides excellent advice on which guns one should own. The author's writing style is VERY easy to read. The book actually went very quickly, despite its length.
