These fallacies include many beliefs widely disseminated in the media and by politicians, such as fallacies about urban problems, income differences, male female economic differences, as well as economic ...

Economic Facts and Fallacies Foundation for Economic ...

Economic Facts and Fallacies exposes an array of widely held beliefs to careful logical scrutiny and evidence—evidence that is usually ignored by those who favor interventionist government policies. Time and again, readers are shown that support for expanding government control arises from mistaken reasoning and interpretation of data.

Economic Facts and Fallacies by Thomas Sowell
