Graphis Advertising Annual 2019 book. Read reviews from world's largest community for readers.

### **Info Graphis**

With many prospective suitors, Walter, with Marcel's help, sold the company in 1986 to B. Martin Pedersen. A few years later, the Graphis headquarters were relocated from Zürich to New York City. The Annuals were redefined and new books were added to the Graphis roster, including Advertising, Photography, Logo, Branding and Typography, among others.
