America's Education Industrial plex nysun

Before the education industrial complex was erected, America led the world in its commitment to education. From the earliest days of our Republic, many small towns each heavily invested in the community's students, more so than any other nation. Teachers and students were held accountable to community expectations. Local investments contributed to a vibrant educational system that expanded rapidly, helping to propel the nation to the world's pinnacle by World War II.

What is the Educational Industrial plex (EIC)?

What is the Educational Industrial plex (EIC)? The term Educational Industrial plex (EIC) was first used by Anthony Picciano in 1994. According to A. Picciano and Joel Spring (2013), the EIC revolves

The Education Industrial plex | Lefty Parent

If you have not read it already I would be interested in my piece “You May Have Missed the Corporate Takeover of Education”, documenting the beginnings of the education industrial complex in the early 20th century. I would be interested on your further thoughts on that.
