How to Draw a Princess (with Pictures) wikiHow

To draw a princess, start by drawing an egg shaped outline of the head, and sketching out the outlines for the shoulders, arms, and dress. Next, add in details to the face, like ears and eyes, then use curved lines to create a neck between the head and shoulders. Once the face and body details are finished, sketch in the hair and the details on the dress. Finally, color in the drawing, and add highlights and shading to give the picture more
