Music: Investigate the Evolution of American Sound

Music: Investigate the Evolution of American Sound invites kids ages 12 and up to explore the roots of American music genres as they investigate the social, political, and religious influences that inspire musicians. Activities encourage readers to inquire into the art and science of music. Readers can engage in a hands on exploration of the physics of sound vibrations, decibel levels, and acoustics, or use vocal styling to improvise and discover the rhythm of their bodies to create a beatbox.
