The Sex Education Debates, Kendall

“The Sex Education Debates is a comprehensive analysis of US sex education debates, policies, and classroom practice. As Nancy Kendall argues, debates, policy, and practice vary greatly across state and local contexts, and those variations have enormous consequences for teachers’, students’, and communities’ experiences of teaching and ...

The Sex Education Debates (English Edition) eBook: Nancy ...

Drawing on ethnographic research in five states, Kendall reveals important differences and surprising commonalities shared by purported antagonists in the sex education wars, and she illuminates the unintended consequences these protracted battles have, especially on teachers and students.

The Sex Education Debates by Nancy Kendall

Educating children and adolescents in public schools about sex is a deeply inflammatory act in the United States. Since the 1980s, intense political and cultural battles have been waged between believers in abstinence until marriage and advocates for comprehensive sex education.
