The Craft of Scientific Presentations Home

? An excellent scientific presentation first requires that you have content that is worthy of your audience's time. Second, to motivate the audience to listen, you should show your passion for that content. Third, you need a keen sense of your audience: who they are, what they know, and why they are listening to you.

The Craft of Scientific Presentations Sharif

In terms of hours spent, scientific presentations are costly. Even for informal presentations given on site, the audience members have to devote valuable time to attend,
