The Manly Art: Bare Knuckle Prize Fighting in America ...

Elliott J. Gorn'sThe Manly Arttells the story of boxing's origins and the sport's place in American culture. When first published in 1986, the book helped shape the ways historians write about American sport and culture,

expanding scholarly boundaries by exploring masculinity as an historical subject and by suggesting that social categories like gender, class, and ethnicity can be understood only in relation to each other.

The Manly Art, Bare Knuckle Prize Fighting in America

"The *Manly Art* is an important contribution to the study of nineteenth century American culture. Writing with clarity, vigor, and grace, Gorn combines detailed narrative with convincing interpretations. He offers the reader a judicious selection of quotations from the sporting press that captures the drama, sensuality, and brutality of the ring and its craftsmen."—
