## **The Shell Collector by Anthony Doerr**

I was lead to The Shell Collector directly by the author's current best seller All the Light We Cannot See. On a certain level, the books have similarities: blindness and nature and objects with magic properties. But I found my interaction with the two books to be very different.

## **The Shell Collector | Anthony Doerr**

Stories from this collection have appeared in both the O. Henry Prize Stories and the Best American Short Stories. For those readers who are curious to learn more about cone snails, you can start by watching this silly video .

## **The Shell Collector New York University**

The story ends fittingly when the shell collector encounters a blind snail. Both creatures plod forward. The two organisms share a common plight as each must adapt to their respective environments or die. No matter their fate, Nature doesn't really care.
