Stephen King is one of the most prolific and commercially successful authors of the past half century, with more than 70 books of horror, science fiction, and fantasy to his name.

### **Write Your First Novel: 8 Strategies for Creating Great ...**

Writing 100,000 words takes time, discipline and some semblance of an organized routine. Each writer approaches this process in their own way, but my routine involves a commitment to a daily word count rather than a time block. Writing to a word count rids me of the pressure of feeling constantly short on time.
